Dear Mr Lyman,

**Extension of framework agreement CM/FMM/08/5012
NHS Building and Engineering Maintenance Services**

As you will be aware, the above framework agreement is due to expire on 19 October 2012. We wish to extend the term of the framework agreement, within the scope of OJEU reference 2009/S 158-230853 so that it expires at midnight on 19 October 2014. This extension is necessary to ensure organisations can continue to procure building and engineering maintenance services under the framework agreement.

Please sign and return a copy of this letter to acknowledge your acceptance of this change to the term of the framework agreement. All other terms of the framework agreement will not be varied by this change and shall remain in full force and effect.

If for any reason you are unable to operate under the terms and conditions of the current framework agreement during this extension period, can you please contact me immediately.

Should you have any queries or concerns regarding this matter, please do not hesitate to contact me directly.

Yours sincerely
